Further information on infrastructure and planned vehicle use

How many towns / villages / communities make up your “immediate catchment area” and how many churches / additional places of worship, if any, are there?

What other “venues of church life” (e.g. parish halls / community centres / day-care centres / schools / care facilities) sponsored by the Church are you running?

Which church groups, associations and initiatives do you have and approximately how many people are active there?

How many trips is the requested vehicle expected to make in a month/year?

How many different people are expected to travel in the vehicle per month/year?

Will the vehicle also be **available to other institutions** – if applicable also interdenominational institutions? Are there any **binding collaborations**?

Financial information and information on previous vehicles

Was the previous vehicle also already funded by the Bonifatiuswerk?

yes no There has been no vehicle to date.

If yes, please enclose a copy of the registration certificate and the current km reading with the application.

What – if any – should be done with the previous vehicle?

If you or your association has **other motor vehicles**: How many are there in total and how many of them were sponsored by the Bonifatiuswerk?

Are there any **financial changes** you anticipate as a result of the project implementation? Which ones?

From today’s perspective, can you guarantee that you will be able to **bear the ongoing costs** resulting from the project implementation in the long term (for at least 10 years)?

What would be the consequences for the “sponsored institution” if the requested vehicle was not approved?

Supplementary comments on the financial information, if any:

Press and public relations

To transparently demonstrate how the donation funds are being utilized, the Bonifatiuswerk is committed to presenting all supported projects within the scope of its public relations efforts. This is done through press releases, brief project descriptions on websites, on social media channels, or in printed materials.

Therefore, the Bonifatiuswerk requires a dedicated contact person to ensure a reliable flow of information regarding the project's progress. Furthermore, it is crucial to the Bonifatiuswerk that the support receives recognition in the press and public relations efforts (print, internet, etc.) of the project partner, and through the inclusion of the logo on your informational materials and on your online presence.

If you need any assistance, a contact person from the Bonifatiuswerk is available to you.

Contact person for questions regarding press relations – Name / telephone / e-mail
